Suddenly it hit me like a lightning between the eyes
It's a physical thing we've got and I'm in paradise
They say I'm crazy but I know where I belong
In your loving arms, you've got me sleepless all night
long

Ain't nobody like it lonely
Now why's your body next to hold me?
It's not too much for me
But they say it's too much for me

Suddenly it hit me like a lightning between the eyes
It's a really good thing we've got and I'm in paradise
They say I'm crazy but I know where I belong
In your loving arms, you've got me sleepless all night
long

I'm lovestruck, I'm lovestruck
Over you
I'm lovestruck, I'm lovestruck
Over you

Ain't nobody like rejection
Then why's to break me oh, so sweet affection?
It feels so good to me
It feels so, so, so, so good for me

Suddenly it hit me like a lightning between the eyes
It's a really good thing we've got and I'm in paradise
They say I'm crazy but I know where I belong
In your loving arms, you've got me sleepless all night
long

I'm lovestruck, I'm lovestruck
Over you
I'm lovestruck, I'm lovestruck
Over you

You see I'm lovestruck, I'm lovestruck
Over you
I'm lovestruck, I'm lovestruck
Over you, over you

Lovestruck over you, over you
