(The Game)

Uh oh here we go

he crossed over just like A.I, and I'm in the phantom
with the top back, sox hat, girl stop that
Im beggin you for mercy
you can bite me but girl dont hurt me
I'll be your slave but dont work me
i'll break you off but dont jerk me
please, i said please
cant we do it again, im on ma knees

I love you
but i gotta stay true
my morals got me on ma knees
im beggin please, stop playin games

I dont know what this is
but you got me good
just like i knew you would

i dont know what you do
but you do it well
im under your spell

you got me beggin you for mercy
why wont you release me
you got me beggin you for mercy
why wont you release me
i said release me

now you think that i will be something on the side
but you gotta understand that i need a man who can
take my hand
(yes i do)

I dont know what this
but you got me good
just like i knew you would
[Mercy (Remix) Feat. The Game Lyrics On]
I dont know what you do
but you do it well
in under your spell

You got me beggin you for mercy
why wont you release me
you got me beggin you for mercy
why wont you release me
I said you better release me

Im beggin you for mercy
why wont you release me
im beggin you for mercy
you got me beggin
you got me beggin
you got me beggin

mercy, why wont you release me
im beggin you for mercy
why wont you release me
you got me beggin you for mercy

im beggin you for mercy
im beggin you for mercy
im beggin you for mercy
im beggin you for mercy
why wont you release me

(The Game)
lets go
where the girls at, where the boys at
where the V.I.P, where the toys at
i wanna be, i said i wanna be where they makin that
noise at
its a throwback, you already know that
Game used to pitch white balls like Kofax
give it to you nice and smooth like wo man
shes goin, goin, hold that.
