Verse 1

I remember way back way back when
I said i never wanna see your face again
Cause you were loving yes you're loving somebody
else
And I knew oh yes I knew I couldn't control myself
And now they bring you back into my life again
And so I put on a face just like your friend's
But I think you know oh yes you know whats going on
Cause the feelings in me oh yes in me are burning
strong

Chorus

But I will never be your stepping stone
Take it all or leave me alone
I will never be your stepping stone
I'm standing upright on my own

Verse 2

You used to call me up from time to time
And it would be so hard for me not to cross the line
The words of love layed on my lips just like a curse

And i knew oh yes i knew they'd only make it worse
And now you have the nerve to play along
Just like the maestro beats in a song
You got your kicks you get your kicks from playing me
And the less you give the more i want so foolishly

Chorus

But I will never be your stepping stone
Take it all or leave me alone
I will never be your stepping stone
I'm standing upright on my own...

No I will never be your stepping stone
Take it all or leave me alone
I will never be your stepping stone
I'm standing upright on my own

Never be your stepping stone
Take it all or leave me alone
I will never be your stepping stone
I'm standing upright on my own
