Treading down the street  
I've got the vibe in my feet  
I'm feeling angry (angry)  
Thoughts of what you said  
Are spinnig round in my head  
I'm feeling confused (confused)  
I'm lovin' life right now  
But you're draging me down  
I don't know what to do  
But say it to you

Chorus

Stop  
Just what you're doin' to me  
You drive me mad  
Now baby, why can't you see  
That I'm sad  
You spin me round  
And you make me dizzy

Sitting with my friends  
I wait by the phone  
I'm gonna give you (give you)  
A piece of my mind  
Someone told you (told you)  
You're acting like a child  
And it's driving me wild  
I don't know what to do  
But to say it to you

Chorus

Stop  
Just what you're doin' to me  
You drive me mad  
Now baby, why can't you see  
That I'm sad  
You spin me round  
And you make me dizzy

Stop

Just what you're doin' to me  
You drive me mad  
Now baby, why can't you see  
That I'm sad  
You spin me round  
And you make me dizzy

You better stop  
You better stop  
You better stop  
Boy, you better stop
