I don't know just what
You done to me, yeah
I was happy as a man can be

My heart is all filled with joy
Just like a kid with a brand new toy

Baby, when you hold me tight
It really makes me feel all right
Girl, when you call my name
You're upset and that's a crying shame

(CHORUS)

One thing's plain to see
You really got a hold on me
What you've got sure is good to me
What you've got sure is good to me
What you've got sure is good to me
What you've got sure is good to me

Maybe it's the way you walk
And maybe it's the way you talk
And maybe it's the clothes you wear
The wave of your long sexy hair

Maybe it's the things you do
That keep me in love with you
Perhaps it's just the way you move
You sock it to me in the groove

(CHORUS)

Baby, when you hold me, yeah
It really makes me feel all right
And, baby, while you love me, yeah
I got to have it day and night

Your love, really, really got me, baby
Your love, really, really got me, baby
Your love, really, really got me, baby
Your love, really, really got me, cause

What you've got sure is good to me
What you've got sure is good to me
What you've got sure is good to me
What you've got sure is good to me...
