Cigarette holder
Which wigs me over my shoulder
He digs me out catin' my Satin doll

Baby, shall we go out skippin?
Careful, amigo, you're flippin'
Speaks Latin, my Satin doll

He's nobody's fool and I'm playing it cool as can be
I'll give it a whirl but I ain't for no boy catching me
Switch-e-rooney

Telephone numbers, well, you know
I doing my rumbas with uno
And that'n my Satin doll

Telephone numbers, well, you know
I doing my rumbas with uno
And that'n my Satin doll

And that'n my Satin doll
Yeah yeah yeah yeah
My Satin doll
My Satin doll
My Satin doll
