Little men  
Beasts of war  
Rule the streets  
Fight the law

Little men  
Started war  
March with us  
Hear us roar

All for none  
And none for all  
We fight for love  
And never fall

It's a war

Are you men  
Of the storm  
On the streets  
We are born

Little men  
This is war  
Join with us  
Hear the roar

All for none  
And none for all  
We fight for love  
And never fall

It's a war

To the left  
To the right  
We are sons  
Of the night

To the left  
To the right

We will march  
To the light

All for none  
And none for all  
We fight for love  
And never fall

It's a war
