Ohh ooh, we are the others  
Ohh ooh, un-like you

Boys, looking for love  
A young man needs violence  
Licking guitars, a little desperate  
Girls, looking for love  
Their women dressed like violets  
Whipping cigars, a little desperate

Ohh ooh, we are the others  
Ohh ooh, un-like you

Girls, Boys  
Boys, looking for love  
You can't stop the silence  
Deafening roars, a little desperate  
Girls, looking for love  
They're coming on like sirens  
Under the stars, a little desperate  
Boys, looking for love  
A young man needs violence  
Licking guitars, a little desperate

Ohh ooh, we are the others  
Ohh ooh, un-like you

(Ohh ooh, we are the others  
Ohh ooh, un-like you)  
Boys, looking for love  
A young man needs violence  
Licking guitars, a little desperate  
Girls, looking for love  
Their women dressed like violets  
Whipping cigars, a little desperate

Girls, Boys, Girls, Boys  
Ohh ooh, we are the others  
Ohh ooh, un-like you

We're boys, looking for love  
A young man needs violence

Licking guitars, a little desperate  
Girls, looking for love  
Their women dressed like violets  
Whipping cigars, a little desperate  
Boys, looking for love  
A young man needs violence  
Licking guitars, a little desperate  
Girls, Boys, Girls, Boys
