Wanted an airbrushed blonde with gorgeous teeth
Ended up with the girl at the end of the street
Oh yeah
Making out in his car at three in the morning
Took it as a sign that he wanted more
Oh yeah

Oh, before you go all the way you gotta ask yourself
"will you love him when
The moments gone?"
Before you go all the way you gotta ask yourself and
see
Yeah, yeah, yeah, yeah

If you were to fill the hole
Fire away your heart
Fire away your heart yeah
You'll regret the things you've done
Fire away your heart
Fire away your heart now

She was a girl he loved, he really loved
She's a stupid cow and he hates her now
Oh yeah
Looking at his watch waiting for his date
It's two weeks late and he can't think straight
Oh yeah

Oh, before you go all the way you gotta ask yourself
"will you love him when
The moments gone?"
Before you go all the way you gotta ask yourself and
see
Yeah, yeah, yeah, yeah

If you were to fill the hole
Fire away your heart
Fire away your heart yeah
You'll regret the things you've done
Fire away your heart
Fire away your heart now

You got to set your heart for love
Set your heart for love
You got to set your heart for love
Just set your heart for love
Yeah, yeah, yeah, yeah

If you were to fill the hole
Fire away your heart
Fire away your heart yeah
You'll regret the things you've done
Fire away your heart
Fire away your heart now X2
