Certain summer days
Echo off the track wall
(Bringing back memories)
I bring up the sun
And watch it set
Always up to feed the bats
How do I look tonight
And how do I look tonight

(Chorus)
Are you dreaming
Or having a nightmare
You look so content
Like it was safe to rest
While I'm bleeding from the gunshot
I'm jack insomniac
The smoke excites my heart attack
Oh no

My eyes are swelled
From staring in the paint for shapes
Am I nodding off?
These melodies keep me awake
I'm thick with history
I'm a thinker like J.F.K.
Who said conspiracy wasn't the american way

(Chorus)
Are you dreaming
Or having a nightmare
You look so content
Like it was safe to rest
While I'm bleeding from the gunshot
I'm jack insomniac
The smoke excites my heart attack

(Without intimacy I fear my bed)

Here I come
I've got darkness on the run
And the sun shines... the sun shines
I'm horrified... I own the night

Yeah!

I'm pulling up my blinds
And the sun shines... the sun shines
I'm horrified... I own the night

Yeah!

(Chorus)
Are you dreaming
Or having a nightmare
You look so content
Like it was safe to rest
While I'm bleeding from the gunshot
I'm jack insomniac
I'm jack insomniac
Oh no
