Every time our eyes meet
This feeling inside me
Is almost more than I can take

Baby, when you touch me
I can feel how much you love me
And it just blows me away

And I've never been this close
To anyone or anything
I can hear your thoughts
I can see your dreams and I

I don't know how you do what you do
I'm so in love with you
And it just keeps getting better

I wanna spend the rest of my life
With you by my side
Forever and ever

Every little thing that you do
Baby, I'm amazed by you

The smell of your skin
The taste of your kiss
The way you whisper in the dark

Your hair all around me
Baby, you surround me
You touch every place in my heart

Oh, it feels like the first time every time
I wanna spend the whole night in your eyes

I don't know how you do it
I'm so in love with you
And it just keeps getting better, better

I wanna spend the rest of my life
With you by my side
Forever and ever

Every little thing that you do
Baby, I'm amazed by you

Feels like I'm so amazed by your love
It feels like forever inside
It's almost more than I can spend
And I can't control it all

I don't know how you do what you do
I'm so in love with you
And it just keeps getting better

I wanna spend the rest of my life
With you by my side
Forever and ever and ever, baby

Every thing you do
Baby, everything you do
I'm amazed by you
