I awake to find the devil  
Sitting near my bed.  
We have a conversation  
.....he says:

Good morning mr. cut-throat  
These are most exciting times  
We are surrounded by fools and crooks,  
Strangers that give us dirty looks,  
So many different people to despise

It's tearing you apart / you haven't got the heart  
I don't mean to complain, but it seems a little strange

Good evening mr. turncoat!  
Well done!  
You've been watching the so-called news  
(and now yo see it)  
That no news is good news,  
We don't want to confuse  
The popular pursuit  
Of absolute truth  
And who has time for such remote endeavors

You wanna disappear,  
How did you end up here?  
I don't mean to complain  
But it seems a little strange

Take me to your leader  
I sure could use a laugh  
(I hear) he's made a new birdfeeder  
And he sleeps in a birdbath  
Who needs to join the circus  
Come on, just look around  
We are surrounded  
By a bunch of f\*\*king clowns!

They sing la la la la la la la la  
They all sing la la la la la la la  
We all sing la la la la la la la la

Everybody sing, la la la la la la la

Its tearing you apart / you haven't got the heart  
You sit there and complain, it seems a little lame.

Good morning, mr. misanthrope  
I sure do hope you remember our terms
