I'm awake in the afternoon  
I fell asleep in the living room  
And it's one of those moments  
When everything is so clear

Before the truth comes back into hiding,  
I want to decide 'cause it's worth deciding,  
To work on finding something more than this fear,

It takes so much out of me to pretend,  
Tell me now, tell me how to make amends,

Maybe, I need to see the daylight,  
To leave behind this half-life,  
Don't you see I'm breaking down,

Lately, something here don't feel right,  
This is just a half-life,  
Is there really no escape?  
No escape from time,  
Of any kind,

I keep trying to understand,  
This thing and that thing, my fellow man,  
I guess I'll let you know,  
When I figure it out,

But I don't mind a few mysteries,  
They can stay that way it's fine by me,  
But you are another mystery I am missing,

It takes to much out of me to pretend,

Maybe, I need to see the daylight,  
To leave behind this half-life,  
Don't you see I'm breaking down,

Lately, something here don't feel right,  
This is just a half-life,  
Is there really no escape?  
No escape from time,

Of any kind,

Come on let's fall in love,  
Come on let's fall in love,  
Come on let's fall in love,  
again

'Cause lately something here don't feel right,  
This is just a half-life,  
Without you I am breaking down,

Wake me, i want to see the daylight,  
Save me from this half-life,  
Let's you and I escape,  
Escape from time,

Come on let's fall in love,  
Come on let's fall in love,  
Come on let's fall in love,  
again
