A one way street that never ends
No roundabouts or sudden bends
My head arrives in a place that's new
But my heart is still with you, but my heart is still with
you
A crowded room or an empty space
Thoughts of you I can't erase
The answer is I can't go back
Coz you don't wanna feel like that
And I don't wanna feel like that

but somethings are worthwhile
fighting for
And baby I just can't let you go

[Chorus]

And I don't wanna stop
And I don't wanna quit
And I don't wanna end this thing with you
Coz I just wanna start and never wanna stop this thing
I got with you coz I
I never wanna stop
yeah I never wanna stop

Lovers drown or drift away
The colours fade and turn to grey
Lets draw the line and face the fact
That we don't wanna be like that
Coz we don't wanna be like that

You're one thing that's worthwhile
fighting for
And baby I just can't let you go

And I just wanna breathe
And I just wanna live without you
next to me
Coz I just need to know
Come on let me know
Is it real or is it not?
If it's true then baby I don't wanna stop
I don't wanna stop
