Some people will walk through this life  
And always survive, and be loved forever  
Some people will seek and will find  
Others will always be blind, and be lost  
What have I done?  
What have I done?

Dolore d'amore, senza lei, senza lei  
Il grido del cuore, senza lei, senza lei

Some people will always be true  
People like you, give their love forever  
While others are tempted away  
Just like a moth to the flame, til they burn  
What have I done?  
What have I done?

Dolore d'amore, senza lei, senza lei  
Il grido del cuore, senza lei, senza lei

What have I done?  
I can't live this way  
What have I done?

Dolore d'amore, senza lei, senza lei  
Il grido del cuore, senza lei, senza lei

Dolore d'amore, senza lei , senza lei  
(what have I done?)  
Il grido del cuore (what have I done?) senza lei, senza  
lei

Without her
