Does the after to be your reason
Is the reason really me
And I don't know what I believing
But I do believe in you

Could you ever day to love me
As much as I love you

Did you know that I've been missin'
Missin' you inside my head
And it sees just a simple love song
A song just for you
A song just for you

I like to catch you while you sleepin'
I think of all of thinks we've done
I like to watch the stars has faded away
And all your clothes so I feel safe

Did you know that I've been missin'
Missin' you inside my head
And it sees just a simple love song
A song just for you

Oh, did you know that I've been missin'
Missin' you inside my head
And it sees just a simple love song
A song just for you
A song just for you
A song for you

I can hide my eyes
Stop me running scared
Can you hear my cries
I wish that you
I wish that you were here
To help me

Did you know that I've been missin'
Missin' you inside my head
And it sees just a simple love song
A song just for you

Oh, did you know that Iâ€™ve been missinâ€™
Missinâ€™ you inside my head
And it sees just a simple love song
A song just for you
A song for you
