For you
There'll be no more cryin'
For you
The sun will be shinin'
And I feel that when I'm with you
It's all right
I know it's right
To you
I'll give the world
To you
I'll never be cold
Cause I feel that when I'm with you
It's alright
I know it's right
And the songbirds are singing
Like they know the score
And I love you I love you I love you
Like never before
And I wish you all the love in the world
But most of all
I wish it from myself
And the songbirds keep singing
Like they know the score
And I love you I love you I love you
Like never before
And the songbirds keep singing
Like they know the score
And I love you I love you I love you
Like never before
And I love you I love you I love you
Like never before
