I put on my shoes and I walk away
So lonely road but it's such a lovely day
This day

No I won't look back cos it's in the past
Got a way to go my feet are walking fast
Away

You said it all
You close the door
And all that I know
Is it tried so hard

But it's not wrong
To finding anymore
When no hope has gone
So I'm movin' on

Got the sun in my eyes
And is blinded me
My head told hi and there's no need to see
Where I'm goin'

Cos I gotta be strong
Uh, I gotta carry on
Without you, without you

You said it all
You close the door
And all that I know
Is it tried so hard

But it's not wrong
To finding anymore
When no hope has gone
So I'm movin' on

Is gotta get easier
It's a lonely road
Is the only way to go

This day

Iâ€™m movinâ€™ on

Is you said it all
You close the door
And all that I know
Is it tried so hard

But itâ€™s not wrong
To finding anymore
When no hope has gone
So Iâ€™m movinâ€™ on

So I put on my shoes and I walk away
Itâ€™s lonely road but itâ€™s such a lovely day
This day
