Faded longing  
Tired of wanting  
Can't explain the fear that's haunting you  
Should I go on?  
I may be wrong  
...so wrong

Hear me calling from Eagle Mountain  
One of millions of suns  
Perfect nature  
Deepest wisdom  
Lies within everyone  
Everyone  
...and everywhere the brilliant horizon

Some say sacred  
Some profane  
There are no distractions  
Then again...yes...  
I may be wrong  
But it feels so right  
So right...

Hear me calling from Eagle Mountain  
One of millions of suns  
Perfect nature  
Deepest wisdom  
Lies within everyone  
Everyone...  
...and everywhere the brilliant horizon

'Cause everywhere lies within everyone
