Let me tell you 'bout a girl I know
She is my baby, and she lives next door
Every morning 'fore the sun comes up
She brings my coffee in my favourite cup

That's why I know, yes, I know
Hallelujah, I just love her so
When I'm in trouble and I have no friends
I know she'll go with me until the end

Everybody asks me, "How I know?"
I smile at them and say she told me so
That's why I know, oh, I know
Hallelujah, I just love her so

Now if I call her on the telephone
And tell her that I'm all alone
By the time I count from one to four
I hear her on my door

In the evening when the sun goes down
When there is nobody else around
She kisses me and she hold me tight
And tell me, "Daddy everything's all right"
That's why I know, yes, I know
Hallelujah, I just love her so

Now if I call her on the telephone
And tell her that I'm all alone
By the time I count from one to four
I hear her on my door

In the evening when the sun goes down
When there is nobody else around
She kisses me and she hold me tight
And tell me, "Daddy everything's all right"
That's why I know, yes, I know
Hallelujah, I just love her so

Oh, Hallelujah don't you know
I just love her so
She is my little woman

Way all down
Baby
