In my dreams... (4x)  
(In my dreams) I can go everywhere  
(In my dreams) I don't have to care  
(In my dreams) Follow red balloons  
(In my dreams) Only lovely tunes  
I can go everywhere  
I don't have to care  
Follow red balloons  
Only lovely tunes

In my dreams... (4x)  
(In my dreams) I can go everywhere  
(In my dreams) I don't have to care  
(In my dreams) Follow red balloons  
(In my dreams) Only lovely tunes  
(In my dreams) I can go everywhere  
(In my dreams) I don't have to care  
(In my dreams) Follow red balloons  
(In my dreams)  
Here comes the dream  
I can go everywhere  
I don't have to care  
Follow red balloons  
Only lovely tunes  
In my dreams... (12x)  
Here comes the dream
