I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home
Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home
Million miles away... (8x)

I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home
Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home
Million miles away... (8x)

I was sent to outer space
To find another happy place
Now I'm left here all alone
Million miles away from home
Floating through the galaxy
All the stars in front of me
Now I'm left here all alone
Million miles away from home
Million miles away... (8x)
