Could I change the way you feel?
Could I make you see there's more than holding on?
Can you ever let your heart believe again?

So this is where we are
And this is all that life has got to give
Maybe all that's left is just to live

Caught up in when or whether
I didn't want to tell a lie
But I saw forever there in your eyes

So, what you're trying to say?
Do you really think it's worth just walking away?
Well, is it fair to tell me I'm to blame?

Well, you know, you've got to choose
And you know, you are afraid of what you'll lose
How can you believe what just ain't true?

Caught up in when or whether
I didn't want to tell a lie
But I saw forever there in your eyes
I know, it's now or never
How could you ever say goodbye
When you see forever here in my eyes?

Baby forgive me
'Cause I got nothin' left to hide
Don't ever leave me
'Cause there'll be nothin' left inside

Could I change the way you feel?
Could I make you see there's more than holding on?
Could you ever let your heart believe again?

Caught up in when or whether
I didn't want to tell a lie
But I saw forever there in your eyes
I know, it's now or never
How could you ever say goodbye
When you see forever here in my eyes?
