I'm on a high, I'm on a high  
there's nothing more to it.  
We are the sea and the sky  
and the blue that runs through it, yeah.

and there are some who say there are so many things I  
need  
so I run or I fight and I crawl or I scream and I bleed  
I bleed, I bleed

well, it's a lie it's a lie - don't you believe it.  
if you're fine then you're fine - it's all how you see it.  
oh, there never will be no conspiracy of happiness.

I'm on a high I'm on a high  
and there's nothing more to it  
I have the sun, it's a star  
why should I refuse it

and there are so many reasons I could give you why I  
should be down  
there's not enough money or time and my love you're  
not around  
around, around

but it's a lie it's a lie - don't you believe it.  
if you're fine then you're fine - it's all how you see it.  
oh, there never will be no conspiracy of happiness.

you're alive you're alive - how else could you hear me?  
you are fine, you are fine - there's nothing worth  
fearing  
'cause there never will be no conspiracy of happiness

I'm on a high, on a high  
we are the sea and the sky  
I'm on a high, on a high  
I'm on a high

It's a lie, It's a lie don't you believe it  
'Cause I've tried and I've tried, and I can't really see it  
Yeah, I'm trapped inside my conspiracy of happiness

said I was yours, you were mine but I didn't really mean  
it  
and I lied and I lied  
and I wish you hadn't seen it  
'cause I'm trapped inside my conspiracy of happiness  
I'm on a high, on a high, there's nothing more to it,  
yeah.
