Rainbow to the stars...
Rainbow to the stars...
Like a rainbow to the stars
Keep the faith right in your heart
If you let your dreams come true
Then happiness will follow you
Life is just a game we play
Happiness is here to stay
If you want to win this race
There's someone who can take your place
Rainbow to the stars (2x)
Like a rainbow to the stars
Keep the faith right in your heart
If you let your dreams come true
Then happiness will follow you
Life is just a game we play
Happiness is here to stay
If you want to win this race
There's someone who can take your place
Like a rainbow to the stars
Keep the faith right in your heart
If you let your dreams come true
Then happiness will follow you
Life is just a game we play
Happiness is here to stay
If you want to win this race
There's someone who can take your place
Rainbow to the stars (2x)
