Hey Valentina the face in the mirror won't disappear Play Poker with you Lucy Get a blessing from the high-streets curse The operation grows bigger And the obscurantist gets closer I know he is spiteful But it's the price of being addicted

Go, go Valentina make me fall

Go, go Valentina make me fall

Go, go Valentina make me fall

Hey Valentina, you make me lose control of your flesh
They put you on their pricelist
Despite the fact that you are priceless
The Vain to your future
Is stopped by a needle to conceal
The bloody eyes are begging
And that is the price of being addicted

Go, go Valentina make me fall

Go, go Valentina make me fall

Go, go Valentina make me fall

Hey Valentina the face in the mirror won't disappear Play Poker with you Lucy
Get a blessing from the high-streets curse
The operation grows bigger
And the obscurantist gets closer
I know he is spiteful

But it's the price of being addicted
