Hey girl, I'm gonna treat ya
Like we do it in the west
Hey girl, I'm gonna show ya
For thee I'm striving for my best

We belong only where we feel strong
Youth has taken the strength back
So lord don't slow us down

I'm feeling all your heat now
I look into ya eyes now
I'm feeling all ya weight now
When I look into your eyes girl

Hey girl, they used to tell me
Youth is wasted on the young
Oh dear, they stained shall be
Tonight I'm all about proving them wrong

We belong only where we feel strong
Youth has taken the strength back
So lord don't slow us down

I'm feeling all your heat now
I look into ya eyes now
I'm feeling all ya weight now
When I look into your eyes girl

Yeah, I'm feeling all your heat now
I look into ya eyes now
I'm feeling all ya weight now
When I look into your eyes girl

We belong only where we feel strong
Youth has taken the strength back
So lord don't slow us down

I'm feeling all your heat now
I look into ya eyes now
I'm feeling all ya weight now
When I look into your eyes girl

Yeah, I'm feeling all your heat now
I look into ya eyes now
I'm feeling wide awake now
When I look into your eyes girl

I'm feeling all your heat now
I'm feeling all your heat now
I'm feeling all your heat now
When I look into your eyes girl
