I knew this guy his name was Jim  
I wish that anyone would have told him  
To keep his fingers from Jacks car  
'cause Jack ment that his car was very rare  
I knew this guy his name was Jim  
I wish Jack could have hold in  
'cause to smash Jim's head through a window  
Was an overreaction that could cause death that day

I can't receive her  
What to do what to say  
It depends on the day

I can't receive her  
What to do what to say  
It depends on the day

I can't receive her  
What to do what to say  
It depends on the day

Jack had a date at five o clock  
He didn't want to give her a shock  
'Cause Jims head was pretty deform  
And the blood pool around him was enormous  
No doubt that Jim was dead  
'cause everything in the room was pretty red  
The date arrived and she passed out  
Jack ended up in prison with his father who was proud

I can't receive her  
What to do what to say  
It depends on the day

I can't receive her  
What to do what to say  
It depends on the day

I can't receive her  
What to do what to say  
It depends on the day

I want to see her  
And I want to touch her

I want to see her  
And I want to touch her

I want to see her  
And I want to touch her

I want to see her  
And I want to touch her

I can't receive her  
What to do what to say  
It depends on the day

I can't receive her  
What to do what to say  
It depends on the day

I can't receive her  
What to do what to say  
It depends on the day

I can't receive her  
What to do what to say  
It depends on the day
