Ahha ahha ahha ahha ahha

Wanted on your own earth
Wanted in your own land
But if you kill John Wayne I'll kill Mary Chain
Wanted in your own town
Ahha ahha

Wanted in your own house
Wanted in your own clothes
But if you kill John Wayne I'll kill Mary Chain
Wanted in your own skin
So come on!
Ahha ahha ahha

Wasted by your own son
Wasted in the break of down
But if you kill John Wayne I'll kill Mary Chain
Wanted in your own skin
So come on!
Ahha ahha ahha ahha

He's the man
He's splitting our land
With this plan
To bring freedom back to every man
And I want to see that road
With the highway battery

But where is this plan?
It's blowing away with an American tank
So don't step into the clan
And I want to see that road
With the highway battery
