Rainbow to the stars...  
Rainbow to the stars...  
Like a rainbow to the stars  
Keep the faith right in your heart  
If you let your dreams come true  
Then happiness will follow you  
Life is just a game we play  
Happiness is here to stay  
If you want to win this race  
There's someone who can take your place  
Rainbow to the stars (2x)  
Like a rainbow to the stars  
Keep the faith right in your heart  
If you let your dreams come true  
Then happiness will follow you  
Life is just a game we play

Happiness is here to stay  
If you want to win this race  
There's someone who can take your place  
Like a rainbow to the stars  
Keep the faith right in your heart  
If you let your dreams come true  
Then happiness will follow you  
Life is just a game we play  
Happiness is here to stay  
If you want to win this race  
There's someone who can take your place  
Rainbow to the stars (2x)  
Rainbow to the stars...
