I know a land
Where the flowers grow
Where the rainbows hide and the light are low
Come take my hand
Walk into the sun
Leave the world behind
No need to run
I know a land
Where the flowers grow
Where the rainbows hide and the light are low
Come take my hand
Walk into the sun
Leave the world behind
No need to run
I know a land
Where the flowers grow
Where the rainbows hide and the light are low
Come take my hand
Walk into the sun
Leave the world behind
No need to run
(Aaaaaaaaaaaaaah)
I know a land
Where the flowers grow
Where the rainbows hide and the light are low
Come take my hand
Walk into the sun
Leave the world behind
No need to run
So beautiful (repeat)
I know a land
Where the flowers grow
Where the rainbows hide and the light are low
Come take my hand
Walk into the sun
Leave the world behind
No need to run
So beautiful (repeat)
I know a land
Where the flowers grow
Where the rainbows hide and the light are low
Come take my hand

Walk into the sun
Leave the world behind
No need to run
I know a land
So beautiful
Where the flowers grow
So beautiful
Where the rainbows hide and the light are low
So beautiful
Come take my hand
So beautiful
Walk into the sun
So beautiful
Leave the world behind
So beautiful
No need to run
So beautiful
So beautiful (repeat
