Ignore them
Conceal them
Cause I'm in here
And they're out there

Sure you wanna know it?
Sure you wanna go there?
If I knew you
If I knew her

I have made it
I can't face it
I am in there
You are out here

Why am I afraid to die?
When I see them suffering

Be there
I'm too young now
I am on the run
Where are we going to?

Hold on, I will be there soon
Bet they need you now, before you loose control

Beat them, as they treat me now
You are beating, up the wrong guy now

Told you, I swore an oath
I am the last dinosaur in congo

We are in there
You are out here
They should face me
When they break me
We are in there
You are out here
I am the last

Beat them, as they treat me now

You are beating up the wrong guy now

Beat them, as they treat me now
You are beating up the wrong guy now

Beat them, as they treat me now
You are beating up the wrong guy now

Beat them, as they treat me now
You are beating up the wrong guy now
