He will party each and everyday
Until the world just fades away
He surrenders almost everyday
He hopes to fade away

we were meant to cry
and we want to try
to tell you it ain't too late
Don't accept the breath of hate
(breake the chains that hold you)
as a victim of the city
(breake the chains that hold you)
Make a magic sweet escape
(life is not a party)
Yeah, breake the chains of fate

Tell me if you are enjoying the view
From the edge where you are standing
We try to reach deep down into you're heart
But silence can be so demanding

we were meant to cry
and we want to try
to tell you it ain't too late
Don't accept the breath of hate
(breake the chains that hold you)
as a victim of the city
(breake the chains that hold you)
Make a magic sweet escape
(life is not a party)
Yeah, breake the chains of fate

(as a victim of the city)
Don't accept the breath of hate
(Breake the chains that hold you)
As a victim of the city
(breake the chains that hold you)
Make a magic sweet escape
(life is not a party)
Yeah, breake the chains of fate (chains of fate)

Don't accept the breath of hate

(breahe the chains that hold you)
as a victim of the city
(breahe the chains that hold you)
Make a magic sweet escape
(life is not a party)
Yeah, breahe the chains of fate (chains of fate)
(breahe the chains that holds you)
Make a magic sweet escape
(life is not a party)
Yeah, breahe the chains of fate (chains of fate (chains
of fate)
