"Who Wants To Live Forever"

There's no time for us. There's no place for us. What is
this thing, that
builds our dreams, yet slips away from us?
Who wants to live forever? Who wants to live forever?
There's no chance for us. This world has only, one
sweet memory, set aside for
us.
Who wants to live forever? Who wants to live forever?
But touch my tears, with your lips, touch my world, with
your fingertips, and
we can have forever, and we can love forever, forever
is our today.
Who wants to live forever? Who wants to live forever?
Forever is our today!
Who wants to live forever? Who wants to live forever?
Forever is our today!
Who waits forever anyway.
