

Black Project "Announcement Song"

Visit "[Announcement Song](#)" on MotoLyrics.com

Hey, guys, you know us
Fear the rimes made by us, Baby

Hey, guys, Rock 'n' fun
Ask us we tell you where to go, Baby
No topic too hot, No person too high
Everyone's treated in our songs, Paul 'n' Gerd KrÃ¶te un
Ox

The songs are German so you will see
Who are the victims of our gags, Baby

Hey Paul, don't blame us
All we sing is reality, Baby

Hey, KrÃ¶te, you drive a car,
But sorry, you're crazy in the head, KrÃ¶te
Maybe you have your driving license
But I won't go with you that's for sure, KrÃ¶te, Sorry,
KrÃ¶te, Sorry

Maybe we're mean but you all know
We just make fun of you mates, Baby

Schneeberch, Schneeberch, We love our town, yeah,
Baby
It's full of cool guys like us
And playing soccer is not all we do, Baby

Brats, yeah, proud of it,
You requested that tape 'n' here we go, Baby
Maybe you're cool, maybe you're tall, But we make fun
of you all, Ox, Gerd, KrÃ¶te, Paul
