F/ Chamdon, Blvd. International, Slimm Calhoun,

\* send corrections to the typist

[Killer Mike]

DF, get it right nigga, Uh huh, Uh huh

Kill the drama

Its similar to a

Take beef to any hood

Break beats on nigga's momma

You niggaz gutter

But I'm foul vicious and slummer

Spit on your boss, ride his main bitch and his runner

Outkast found a monster

Heartless head hunter

Spit crack in the winter

Flow heroin all summer

The peace treaty's over, the war is all force

Appetite for destruction, dinner is your corpse

[Brother James]

Man I know it's so sad

Watching this game switch like fags

Gotsta deal with it, so we spit it to let the world feel it

Sticks and stones may break my bones, but homes

You can miss me with that talk

Yappin' don't make it happen

By the way I fought

Handle loc, that's being responsible

Know that a man needs money in order to feel  
comfortable

So ya'll can, stop all that frontin'

Your crew is not saying somethin'

I told you we was coming

{Chorus

It's that down and dirtaaaay

2nd generation

Dungeon familiaaay

2nd generation

Dirty dirtaaay

2nd generation

[Chamdom]

Abra-Kazam

Abra-Kazoo

Out of the blue

Gobble the crew

Put me in the booth

Magical proof

Never not know what G Rock might do

Better know this

Georgia G Rock like killa

We go off the track like some nomical lyrical aviators

Now haterz wanna fool with them skeetaz

You'll never defeat us

So why try meet us

So bust at the at the streets

I pull up in a light green ???

You know a sepina try to block me

Carrying your torches and hitting that hooch

Bouncing in booths and poppin that cooch

Now hoot, cuz they saw some of G Rock

Copy cats trying to copy our style

So trouble when they see us

Acting like four fake cowards

Boy you ain't Chamdom

[C-Bone]

Four speakers I stay on

Big things from the green zone

From the big lake to the small flip

Aquemini, don't fuck with

I been rich, so why switch

Dungeon family 2 click

Country ain't no bullshit

The whole world, nigga we rule this

Believe that

{Chorus

[Concrete]

Niggaz better use they brains

They trying to get wise

My skill is sharp as fuck nigga

Don't make pull out my knives

Cuz they gone cut they fuckin' shirt and and Ima hang  
you to dry

I want this whole cake nigga

Fuck a piece of the pie

Always speakin about the truth

I never had to lie

We gonna torch a nigga  
Tie him up and cover his eyes  
What happened next?  
Who knows  
It's a surprise  
The suspense will kill a verse before he opens his eyes

[Boulevard International]

??? como ????

Yo tengo ????

Jump out a she'd ????

So ???? left scared

????

No te gusta ???

Hay mi no importa

Don't give a damn where you from

Take your heart before somebody ???

????????????

And we all slum

Esta la muerte ????

{Chorus

[Nathaniel]

I'm super weight affiliate

Hang with nothing but kings and G'z

I'm a triple beam Georgia

Slinging them c's and ki's

Can't stop me

Aquemini plus dungeon family

A lot them spots and pop them glocks

You understand me?

I spit this for my thugs and cuz that doing state time

Cant break or take mine

I rewind, my shit grinds

I lace tracks like ru's

Chase stacks and put it down for CPK oooh!

[Slimm Cutta Calhoun]

Aquemini Calhoun!

Young slimmy bust a benny with dat shimmy

Gimme, you control da strip with jack and trimmy

Scoop a cola from big kenny

Headed out to Adamvilley

Blowing dro, gulping Remi

Don't low my tote, get plenty

Hot hoes get with me

My foes get near me

Hear me clearly

Know the dilly really silly

We ain't playing, leave them lame

We ain't talking, we just ran nigga  
Drop him where he standing  
And spit like glock nines and cannons  
When I snap shots at random  
Creep, creep up like the phantom  
Top down, we'll handle em'  
When my attitude is mental  
That means Ima fuck you up  
With DF duece bumpin out the trunk, what what  
With DF duece bumpin out the trunk, what what

{Chorus
