

## **Dungeon Family "Emergency"**

Visit "[Emergency](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Save the Atlanta sound, oh, we don't represent Atlanta  
We ain't puttin' the A-Town on the map, okay, here we  
come

Gipp economy is strange in the meanin', lookin street  
Even [Incomprehensible] for no team, I swing  
dissipainted lines  
Stroke after them, apple martinis  
I'm the kosher, I'm the most alike the art

Took my moves from Billy Whiteshoes  
Fight back like Geronimo, crack comma Ustafa  
Who said, "Like the sky, like a hot fire"  
Dorcey put a hit up on that man, control red

Some watchin' liberation, abberation house down your  
throat  
Tapdance on ya kidneys, come around that ass like  
measles  
The first and the second shots ain't nothin' but teasers  
Set your body afire like Watson

Travel through your team like hydrotoxins  
Premium dutch, blood shift you closer to the edge  
Project push, A T L, you get your water out the faucet  
We get our water out the well

We win the war with Miami boys over these streets to  
eat  
Channel 5 got the story of the day  
Old church burnin', Emma got hung and the student  
caught  
With a gun, Wayne Williams interviews

Remote controlled cars for teachers  
In Zone 1, Zone 2, Zone 3, Zone 4, Zone 5  
Whatcha gonna do, who ya gonna call?  
The effective gun show, now, nigga come on

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

Awww yeah, we crunk, we crunk, we crunk

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

Capone got that Southside pimp creep, College Park  
out the door  
Die-hard, booze chillin', man, nigga wanna start  
Niggaz 'round the A-Town, salty 'cause they game plan  
Breakin' they neck try not run but Dungeon niggaz  
done been ran

Y'all was out for grannin' and pussy pursuin'  
We slum deeper studio-type, breakin' great  
entrepreneurs  
Alert, it's an all out emergency homes  
Hit up, slick Ricky Wade on my cellular phone

Man, my group done broke up just starters claimin' we  
rock  
It's my destiny to make it, I'm a fuckin' survivor  
This might be one again, oh, hailin' in the blaze that we  
brought  
[Incomprehenisble] but my stomach was growlin'  
Dungeon Family

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

Yes, y'all, all the time, it's goin' down  
What you say Shawty? Look here, you betta believe it  
Ooh, call the police  
I will verbally murder one of these sucker emcees

I talk that, now they act if they ain't understandin' me  
How they gonna handle me, this Dungeon Family  
I spit this shit randomly  
From point blank range, blow out their brains

Leave all thoughts dang-a-ling, nobody say nothin'  
Facin' charges on account of the attempt and assault  
with a weapon

Know what it is, you done seen this here before  
Come through ya front door and let ya know for sure  
You try to hear them, automatics spittin'

Leave ya whole coalition in critical condition  
When we speak, we recieve ovations from nations  
Why that 2nd Generation strapped in attack formation  
Shook up the world but it wasn't pretty  
I conversate strictly for the nitty-gritty, we crunk now

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk

I repeat, this is not a test, this is not a test, this is not a  
test  
In the event of an actual emergency, you'd have 5  
seconds  
I repeat, in the event of an actual emergency you'd  
have 5 seconds  
We're settin' the stage very possibly for World War III
