Hey, I am the one and only son of a machine gun
Untrapable, meaning I can't be place between none
Even in darkness, I already ate this diction
It's so bold you could smell that funk with a cold

It's unbelievable, bare a resemblance to Broken Mold
I'm optimistic, I'm the air in the open road
Make ya move it's moderate, no need to speed
It's inevitable you arrive in due time indeed

Now is the, time and place to invade the empty space
I'm a profecionist, I never pressure the pen space
But I wouldn't be amazing without God's Amazing
Grace
I can travel outer space standin' in one place

Grab your ticket, come get wit it
Trans DF Express, Trans DF Express
Grab your ticket, come get wit it
Trans DF Express, Trans DF Express

Hippy to the hop, like a digi-log frog
Throw me the cat and I'll throw you the dog
Simple as a dimple ain't it?
A hole in your cheek, let's hit the town so we can paint it

Red or maybe baby blue for two
As sure as you are my lover, that is my favorite color
And we get down, off to my castle we drown
In each others love we puddle, huddle, break, fourth
down, and inches

We all some players don't ride no benches
Elegant princes come to your senses
I noticed that you're one of a kind
That's makes you kind of the one

I'm, sharing my spaghetti with
The Lady and The Tramp, the mystery the myth
Not into runnin' frames, but I got a thang for ya
Swoosh! I will do ya, surely I adore ya

Grab your ticket, come get wit it
Trans DF Express, Trans DF Express
Grab your ticket, come get wit it
Trans DF Express, Trans DF Express

Gipp, a two thousand and two ho bo
What'chu think it say Two-A, ya goin' my way
Went from Ragtime buddy to a cakewalk stage
Didn't ask 'cuz I past you made this weight

My impression is one and no other, kinda, sorta yo, Dr.
Demented
Had you come through the lab, doctor, organized
instrumental
We gon' keep it on the track and the gristle
This Express, hear the whistle?

Who the niggas changed the face of the game
And bought it back 'Five, Deuce, four, Tre'
The alliance of elite emcees
Attention, salute, at ease

The world renowned, from here clean across seas
It's the critical acclaimed, Dungeon Family
We are now boardin', all seats and all rows
But it ain't no more tickets 'cuz it's a sold-out show

Grab your ticket, come get wit it
Trans DF Express, Trans DF Express
Grab your ticket, come get wit it
Trans DF Express, Trans DF Express

I stank I can, I stank I can, I know I can, I will
'Cause negative P I T be knockin' players off the field,
for real
Dungeon Family got my sword and sheild
To Campleton not Camelot, let's smoke the 'dro and
chill

Like four babies, and now you want the pill
Used to be raw dawg but now you want the grill
SeVille flawless, so now you want the drill
And takin' a groupie home is just like lovin' some
roadkill

Pimpin' and panderin', on a level you can serve

This metal, nouns, pronouns, adverbs, and verbs
I spit the words of Wordsmith, higher than a bird's dick
Sip-sip, sip-sip, 'sippin' on some syrup' is like three six

Engine number nine is on the grind
Like ya molars when ya rolled and that's your backteeth
bitin' down
Now open up and say it, the D to the F's the greatest
The talented town, then tip up your drink, your head
has been deflated

Grab your ticket, come get wit it
Trans DF Express, Trans DF Express
Grab your ticket, come get wit it
Trans DF Express, Trans DF Express

Grab your ticket, come get wit it
Trans DF Express, Trans DF Express
Grab your ticket, come get wit it
Trans DF Express, Trans DF Express
