There goes my heart again, here comes the hurt back
in

You'd think I'd learn by now to let you go
With just one look from you, my heart starts beating
blue
Just when it's on the mend, there goes my heart again

I'd tried to talk it out of lovin' you
But my heart has a mind of its own
It won't forget you like I told it to
I wish it would leave you alone

There goes my heart again, here comes the hurt back
in

You'd think I'd learn by now to let you go
With just one look from you, my heart starts beating
blue
Just when it's on the mend, there goes my heart again

I was doin' fine for a little while
Even with no one to hold
I slowed it down 'til I saw your smile
Now it's racing out of control

There goes my heart again, here comes the hurt back
in

You'd think I'd learn by now to let you go
With just one look from you, my heart starts beating
blue
Just when it's on the mend, there goes my heart again
Just when it's on the mend, there goes my heart again
