Verse 1:

Pretty baby (pretty baby)

Do you want me (do you want me)

Pretty baby (pretty baby)

Girl I want you (girl I want you)

You see I wanna be with you but the words are hard to say

And every single day I feel so

CHORUS:

I'm shy (I'm shy)

I'll never get to talk to you (never never never never)

I'll never get to hold your hand

I'll never get to be your man

And I'm lonely

Verse 2:

Pretty baby (pretty baby)

Girl I see you (girl I see you)

Pretty baby you don't see me (you don't see me)

Cause when you turn in my direction

Girl I shy from my obsession

I don't want to face rejection

You make me feel so

CHORUS:

I'm shy (I'm shy)

I'll never get to talk to you (never never never never)

I'll never get to hold your hand

I'll never get to be your man

And I'm lonely

Verse 3:

Baby girl do you know the love a feel for you

Do you feel it girl?

Cause my love cause my heart and my story's all for you

All for you

Baby girl do you know the love I feel for you

Can you feel it girl?

Cause my love cause my heart and my story's all for you

Ohh Ohh

Chorus:

I'm shy (I'm shy)

I'll never get to talk to you (never never never never)

I'll never get to hold your hand
I'll never get to be your man
And I'm lonely
