Dream of me -Kristen Dunst

Let me sleep  
for when I sleep I dream that you are here  
you're mine  
and all my fears are left behind

I float on air  
and nightingales sing gentle lullabies  
so let me close my eyes

And sleep, a chance to dream  
so I can see the face I long to touch  
to kiss  
But only dreams can bring me this

So let the moon shine  
softly on the boy I long to see  
And maybe when he dreams  
he'll dream of me

I'd hide beneath the clouds  
i'd whisper to the evening stars  
they tell me love is just a dream away  
dream away A dream away

So let the moon  
shine softly on the boy I long to see  
and maybe when he dreams  
he'll dream of me

ooh ooh oooh oh

Dream of me
