No one knows her name but they see her youth and use
her

She?s feeling free and everything she sees is truth
She?s seventeen, she?s got everything she needs to
lose

Yeah, yeah, yeah, oh no

She?s got everyone to help her on her way
She?s got everyone to help her on her way
She?s got everyone to help her on her way down

He seems to know right where it hurts, your pain, in
vain

He gives himself to you, he?s in your way
And everything he does just seems a phase, insane
Yeah, yeah, yeah, oh no

He?s got everyone to help him on his way
He?s got everyone to help him on his way
He?s got everyone to help him on his way down

Everything you touch tears at your heart, apart
Of everything you see is down in your soul, never let
you go

You?ve got everyone to help you on your way
You?ve got everyone to help you on your way
You?ve got everyone to help you on your way down

You?re a 666 conducer, how do you do the things you
do, sir?

You?re a 666 conducer, how do you do the things you
do, sir?

You?re a 666 conducer, how do you do the things you
do?

You?re a 666 conducer, how do you do? How do you
do?

You?re a 666 conducer, how do you do the things you
do, sir?

You?re a 666 conducer, how do you do the things you
do, sir?

You're a 666 conductor, how do you do the things you
do, sir?

You're a 666 conductor, how do you do the things you
do?

How do you do the things you do? How do you do?

How do you do? How do you do? How do you do?
