I can't wait for long, my darling
All I have to keep me strong

All I have will go, all I have will go
And I move on, and I move on
And I'm aching, and I'm aching

I can't wait for long, I'm sorry
All I have has left me gone
I can't stay for long, I'm sorry
All that's left me kept me strong

All I have will go, all I have will go
And I move on, and I move on
And I'm aching, and I'm aching
(And I move on, and I move on)

And I'm aching, and I'm aching
(And I move on, and I move on)
And I'm aching, and I'm aching
(And I move on, and I move on)
And I'm aching, and I'm aching
(And I move on, and I move on)

And I'm aching, and I'm aching
(And I move on, and I move on)
And I'm aching, and I'm aching
(And I move on, and I move on)
And I'm aching, and I'm aching
(And I move on, and I move on)
And I'm aching
