And all my sorrows awaken
And all my fear's run down
I turn myself into an angel
I run myself into the ground

I'm on my own I'm sure I'll feel it now
I'm on my own I'm sure I'll know it now

And all the reasons invading
Twist and turn my aching soul
I leave myself behind in pieces
I know you'll need them when I'm gone

I'm on my own I'm sure I'll know it now
I'm on my own I'm sure I'll feel it now

I'll never see again
I'll never see again
The worst has come I'm falling in

I'll never see again
I'll never see again
The worst has come I'm falling in

I'm on my own I'm sure I'll feel it now
I'm on my own I'm sure I'll know it now
I'm on my own I'm sure I'll feel it now
I'm on my own I'm sure I'll know it now
