On and on
Iâ€™ve been waiting on the open invitation
You're silent show me no relation
In the rising cold
Donâ€™t you feel alone
Iâ€™ll be standing with your sorrow
All you left meâ€™s gone away tomorrow
And we may never be here again
And we may never be here again
Pull me up
On either side
Donâ€™t leave me standing alone in the light
Pull me up
On either side
Donâ€™t leave me standing alone in the light

On and on
Iâ€™ve been waiting on the open invitation
You're silent show me no relation
In the rising cold
Donâ€™t you feel alone
Iâ€™ll be standing with your sorrow
All you left meâ€™s gone away tomorrow
And we may never be here again
And we may never be here again
