Will you lay me down*
Will you lay me down
Will you lay me down inside heaven's walls
Where every soul is a setting sun

Will you take my hand

Will you take my hand
Will you take my hand down to the water's edge
Where every sin has been washed away

But I can't run if I can't walk
And I won't love if I can't stop
Every minute the pressure drops
From your first breath 'til your heart stops

Will you let them pass

Will you let them pass

Will you let them pass across this killing floor
Where every shadow is cast in stone

But I can't run if I can't walk
And I won't love if I can't stop
Every minute the pressure drops
From your first breath 'til your heart stops

Carry me
Carry me
But you take
Take
It's never enough
You just take
Take
It's never enough
You just take

Take
Every part of me
All of me
