(words and music: Duran Duran)

I she'd my skin
When the party was about to begin
I'm light years away but
I'm walking back, tonight,
Of all nights
When I should be feeling just right
Don't want to be in public,
My head is full of chopstick I don't like it.

Something on my mind..
Breaking open doors I sealed up before,
Something on my mind..
Makes me run when I thought I'd run too far.

Somebody shaking my tree
Maybe that somebody is me
I'm standing in the light but I'm making a break for
The shadows on the cinema wall.
They should be mine but I'm not that tall
Now I'm saying this in private
If I had a car,
I'd drive it insane

(chorus) (chorus)

I'm looking for cracks in the pavement..

(chorus) (chorus) (chorus)
