"Goodbye Is Forever"

Sometimes you have no choice
Sometimes you've got no voice to say
Say if you will the words,
Say if your world is so gray
We can decide this,
There'll be no tears - no tragedy
Sure I wouldn't break and cry, if...
You walk away, believe me.

Hey, goodbye goodbye is forever ah
Hey, forever goodbye is forever and ever.. ah-ah-ahh

Sometimes it makes no sense,
This side of cruel coincidence
Caught up in our own barbed wire
To set us free believe this -

(chorus)

Mmmmm ohhh ohhhh
Ohhhoooo mmmmmmm
Oh-oh Mmmm oooh

(chorus)

Goodbye goodbye is forever ah
Hey, forever goodbye is forever and ever.. ah
Mmmm ohhhh heyyy....
