Hold back the rain  
Yes we're miles away from nowhere and the wind  
doesn't have a name  
So call it what you want to call it still blows down the  
lane  
People tell me I haven't changed at all but I don't feel  
the same  
And I've bet you've had that feeling too you can't laugh  
all the time

And if the fires burn out there's only fire to blame (hold  
back the rain)  
No time for worry cause we're on the roam again (hold  
back the rain)  
The clouds all scatter and we ride the outside lane  
(hold back the rain)  
Not on your own so help me please hold back the rain

So what if the words ain't rhyming did you thing that it's  
just a game  
I probably didn't even say that right and i really don't  
give a damn  
Okay go off and wander I'm guilty just the same  
Sometimes you're needed badly so please come back  
again  
And if the fires burn out there's only fire to blame (hold  
back the rain)  
No time for worry cause we're on the roam again (hold  
back the rain)  
The clouds all scatter and we ride the outside lane  
(hold back the rain)  
Not on your own so help me please hold back the rain

And if the stars burn out there's only fire to blame (hold  
back the rain)  
No time for worry cause we're on the roam again (hold  
back the rain)  
The clouds all scatter and we ride the outside lane  
(hold back the rain)  
Not on your own so help me please hold back the rain  
Hold back the rain, hold back the rain. hold back the

rain

Hold back the rain (hold back the rain), hold back the  
rain

(Hold back the rain), hold back the rain (hold back the  
rain)

Hold back the rain (hold back the rain), hold back the  
rain
