Midnight I think I'm gonna make it  
Feel the magical lash of the roll  
And the crash in their lives  
Headline in tomorrow's papers  
Kill that light it's so bright  
And you're shining it right in my eyes

#### CHORUS

Show me your secret and tell me your name  
Catch me with your fizzy smile  
Try to remember again and again  
What it is that I recognise  
Don't ask me now  
When I need you I don't know how  
To believe in your advice  
Just this once I take the dice

Midnight so what's the point of faking  
For a kiss or a whisper  
You pull out a desperate prize  
Hold tight onto Daddy's bracelet  
Make them pay for their chances  
With money they don't think that's nice

#### CHORUS
